

2026 Livonia-Westland Chamber of Commerce Scholarship Program

The Livonia-Westland Chamber of Commerce plans to award several scholarships to seniors graduating this spring from any Livonia, Westland or Wayne high school and pursuing postsecondary studies. A series of \$1,000 scholarships will be awarded to students planning to continue their education toward all career paths at a two-year college, four-year college or trade school.

Eligible high school seniors must graduate in 2026 from a Livonia or Wayne-Westland high school (public or private.) Winners will be notified in late spring 2026.

This is an annual scholarship program authorized by the Livonia-Westland Chamber of Commerce Board of Directors, funded by donations and proceeds from Chamber programming. Favorable consideration is given to qualified applicants who are planning to attend an institution that is a member of the Livonia-Westland Chamber of Commerce member. *(Those schools are: Schoolcraft College, Madonna University, Eastern Michigan University, Lawrence Technological University, Wayne County Community College District and Wayne State University.)* The award will be sent directly to the school of the scholarship recipient's choice upon complete student enrollment in that institution.

Applicants must complete the attached application and submit a 500-word essay for consideration of the scholarship. No interviews are planned. The Livonia-Westland Chamber of Commerce's Scholarship Committee will review applications and essays as part of the selection process.

Scholarship winners must utilize the award during the 2026-27 school year. Failure to use the scholarship in a timely fashion will result in forfeiture of the award. These scholarships are open to full-time and part-time students. Financial need will not be a factor in the selection process.

For more information, call the Livonia-Westland Chamber of Commerce at 734.427.2122, or e-mail Chamber President Dan West at dwest@livoniawestland.org.
